December 2008

Good Luck!

Good luck with finals everyone! I remember what it was like—a lot of stress and very late nights. Let me know if there is anything I can do to help. Just a reminder that even though many of you are in study groups, curfew for guests still needs to be honored. Friends need to leave the apartments by midnight Saturday - Thursday and by 1:30 am on Friday. Also, friends of the opposite gender are never allowed in the bedrooms. It just isn't fair to your roommates if you don't observe these house rules.

We are aware that a few of you have been allowing friends to stay after curfew and/or calling your friends back after the Resident Advisors have asked them to leave. This is a serious breach of the rules and can jeopardize not only your contract but also your roommates' contracts. Please honor the house rules you signed. Thanks!!!

Christmas Break

I hope you have a wonderful Christmas break with your family and friends! Before leaving, please do the following:

- *Turn your furnace down to 65° and your water heater to the "vacation" setting.
- *Shut all of your windows; make sure the bars are in.
- *Lock your outside door. (Don't loose your key over the break.)
- *Tidy up your apartment. I am not doing formal clean checks this month because of finals, but please leave your apartment in good order. Don't leave dirty dishes or garbage and wipe down anything that is dirty. I will be checking on the apartments during the break, and if I have to clean up anything that smells, I will charge you...and I'm not cheap. ☺

Semester Check Out

For those of you who have a one semester contract, please make an appointment to check out. I will be doing check outs until Wednesday and then the RA's will be doing them Thursday - Saturday. Remember, you must check out and leave your key in order to get your cleaning deposit back.

Contact information: Erika (Manager) 851-1762 or 283-2158 / Dalen & Telisia (RA's) 283-6757

Thanks for being such great students! I am really enjoying getting to know all of you.
Have a very merry Christmas and a safe New Year's celebration!
