Goodbye Already?!

Wow! This year has flown by! Thank you for making this school year such a great one! I have enjoyed having you here and getting to know you. You guys have brought such fun energy to the apartments. I hope you all have a fun, safe summer and whether you work or play, enjoy every minute of it. I look forward to seeing so many of you again next year!

Clean Checks

Please start now getting your apartment ready for **end-of-the-year check-outs**, which are **VERY STRINGENT!** If you procrastinate, you will be overwhelmed with finals, packing, and detail cleaning. For this reason, I am going to have clean checks this month, even though final check-out is only a couple of weeks away. I will be around on Thursday, April 16th sometime between 4 and 6 pm. Please sign up for your portion of the apartment and then expect me to hold you accountable. But I will reward **GREATNESS!** Hint: It involves \$ for laundry.

Check Out

I will be scheduling check out times starting Wednesday, April 30th and running through Saturday, May 2nd. I will put a sign up sheet on the board outside of #12. Everyone has to sign up for a time to check out. If you need to arrange for a different time, please call me. ***You will not get your deposit returned if you do not check out with me!***

Vending Machines?

I want your opinions! We are thinking of installing some vending machines in the laundry room, so we need to know if it will be worth the expense. When I come around for clean checks, I will be asking for your honest opinions as to whether or not you would use vending machines and if so, what would be wanted in them. Even if you won't be a tenant next year, I would love to know what you think. Thanks!

Thank You!

I would like to thank all of you who have been dropped in on to have your apartment shown. You've always been gracious and kind. You have made the people feel very welcome and you've said some wonderful things about the apartments! You guys are the best!
